LONDON SW1A 2AA

THE PRIME MINISTER

The cornerstones of that defence
must remain. ^{Force} do not lose what the future holds
although some of it
architecture may change in this new
situation.

Cap. Wrenley

Leading Member of War Institute

Baroness Cross

Let us have that heavy - ^{purpose} ~~rather~~ of new
not that of war

Leadership lines - feet take ahead

Beid you welcome with our efforts
very success

Puttland

Adapt - to new sit.^h

Coteswri

Commonwealth former adversaries - we are
only defensive.

Alliance - 2 fold mission
defense - co-operation.

CSCF - all 31st nations;
with in framework of relations
on Nato to bloc

France - special position - will not change

- not directly concerned with nuclear
strategy

- not involved in organisational aspect

→ Nuclear objective - in deterrence
Should avoid having to resort to
weapons

Can't decide new balance
- Need another summit

Complementary nature of different agencies

CSCF,

16 allies should define their
goals for next summit, meeting in Paris

We are in process of climbing a high mountain
? Descending the slopes?

Go up towards a happy valley?

Plan for other meetings this year.

President of U.S.A

1) new - outgrowth of allied deliberations

↳ Carter

- ① react out to adversaries
- ② adopt conventional defence
- ③ nuclear - weapon of last resort.

- ① Structure of concept
Pres. G. to reshape
Liaison mission at N.A.T.O.

Sharp collective defence

- ② U.S. - intends to remain a super power

'Weapon of last resort'

Use 'early' in conflict to help deter attacks
by large forces.

Truly weapons of last resort

careful in changes of strategy

(C.C. careful not to use term 'nuclear umbrella' response)

Strategy: situation will be transformed.

Will NATO adapt? Could say we are studying it.

8 Something to define

Phase last resort - leave a lot of room for a new employment guide-line.

Shoofly opposed to 'No first use'

Countries not in NATO command

(4) Helping intellectual framework.
CSCE

We will play +ve part.

Adapting to new realities.

Kohl - Cooperation belongs to Paris

Came into NATO 1955

Treaty signed 1967

Active friendly support.

U.S. FR BR in Berlin Germany

as a whole

Close political & economic
integration of Germany.

Security depends on reliable partnerships.

Determining future course of NATO.

Continuity indispensable - must be realistic.

N. America & Europe together.

Pan-European - CSEK.

Issue of enormous importance,

Makes our strategy.

NATO a pillar of PAN European security.

Use every European forum.

CFE by end of this year

Further dialogue with in strategic report

Nuclear arming reductions - both approved.

Report end of 1990 - reduce strategic nuclear
weapons

Welcome chemical weapon redⁿ

Building for fundings for new peace

1 key transatlantic bridge

But not cutaway across division of Europe

● Our vision of peaceful Europe - reality

Portugal - Francisco Siza

Andrius - Security & dialogue
→ " & cooperation

Andrius - ~~Report a community~~

~~Act in favour~~

CSCF can help to overcome division of Europe

Anthony - Political landscape is shifting.

Paul Schlüter

Soviet Union will remain a great power.

Just not feel marginalised.

Message

① Underline assurances to S.U.
about German membership
of NATO.

② Decision to conclude CFE agreement

③ Continue negotiations on arms control.

④ Britain continue building nuclear

⑤ Welcome reduced reliance on nuclear
weapons

Look forward to CSEF summit.

Political consultation on ground levels.

Appreciate initiatives by U.S. to proceed
with new ideas.
